Hi Yena,

Every year the Wilshire Center BID puts together a video for our annual membership meeting. We always ask council members to say a few words for the video. Here is a link to the full video which will be updated this year to incorporate Councilmember Ryu. <https://youtu.be/gsmWPEVWp04>

Here are the past clips from LaBonge and Wesson. Please share these clip below with councilmember Ryu.

Here are some notes about the WCBID:

1. The Wilshire Center Business Improvement District (WCBID) is an assessment district created by the Los Angeles City Council in 1995. We are one of over 40 BIDs in Los Angeles (visit [labidc.org](http://labidc.org) for more about the

BIDs in LA). WCBIC has been working diligently to improve our community for the past 18 years. For some of WCBID accomplishments since 1995 go to <http://wilshirecenter.com/about/accomplishments.htm>

2. The mission for the WCBID is to help the Wilshire Center District of K-Town become a more livable and workable area, to provide for a better overall environment both socially and economically, to work towards constructive change and improvement for Wilshire Center/K-Town, and to represent the WCBID assesses' interest by advocating on behalf of its members' best interests in the area of public safety, beautification, promotion, maintenance, and economic development within the community.

3. WCBIC represents over 38 million square feet of residential, office and retail users. Click here to view the **Wilshire Center B.I.D. Boundary Map (pdf)**.

Attached is some additional information about BIDs in Los Angeles.

Please let me know if you have any questions or need anything else.

Thank you for scheduling our last meeting.

Can you please provide me with a list of dates and times for the second meeting with Councilmember Ryu?

As discussed in our last meeting we would like to setup a time to do a recorded statement/greeting for the WC BID property owners.

I will send notes and samples to Nikki for reference and communications.
